The Northampton International Film Festival returns for its 18th annual installation **October 10-12, 2014** in the scenic college town of Northampton, Massachusetts. Located just north of New York City, Northampton Massachusetts or 'NoHo' has been a popular New England destination due to its thriving arts culture, restaurants, shopping and surrounding Five Colleges. The city slogan "Walk into Something Wonderful" summarizes Northampton's vibrant and distinctive arts culture, established restaurant industry and abundance of boutique shops. Held at the legendary Academy of Music, the festival will showcase full length and short films from around the world, chosen by a panel of film industry experts.
